

YMCA OF METROPOLITAN CHATTANOOGA
CAPITAL CAMPAIGN

YMCA Camp Ocoee

The seeds being planted at YMCA Camp Ocoee through renovations will yield a beautiful crop that can be seen in the hearts of individuals, families, groups, and communities at large- and the Tree House Village is where the mission of Camp Ocoee will come alive.

The Treehouse Village will allow us to expand our programming to 48 additional campers each summer and increase our school-year capacity by 56 beds.
